

“If she can connect to the survival energy in the lowest chakra and through meditation send it’s roots deep into the center of the earth, feel herself solidly planted, then, that grounding becomes the necessary base for the light which she is capable of receiving. Stretching to her full stature, with her feet firmly rooted and head receptive to the sun, her whole being becomes the tree of life.”

—Marion Woodman
(From the audiotape *The Ravaged Bridegroom*)
